

## LOS ANGELES VISITORS SPEND A FEW HOURS HERE

**Sierra Madre Club, Numbering Over 60 People Spend Sunday Morning Inspecting Tonopah Mines.**

Sixty business men, mining men and capitalists composed the Los Angeles delegation which arrived in Tonopah Sunday morning. The party were better known as the representatives from the Sierra Madre club. They spent a day in Goldfield visiting the business men there and also taking in the last day's session of the mining congress. The members of the party established headquarters at the Mizpah hotel yesterday after their arrival. From this point the delegation was escorted to the different mines and mills, where a thorough inspection was made.

At the Montana smelting plant the party witnessed the bi-monthly melt of the precipitates. During their stay here several silver bricks valued at \$500 each, were turned out.

About 11 o'clock the entire delegation congregated at the Mizpah hotel, where an informal reception was held at which the business men of this city were given an opportunity of greeting the arrivals. The object of the trip was mainly for the establishing of more pleasant business relations between southern Nevada and Los Angeles. The two special cars carrying the delegation were attached to the 11:15 o'clock train. The party will go direct to Los Angeles.

## NYE COUNTY BRINGS SUIT FOR \$66,680.36

**WILL ENDEAVOR TO RECOVER FROM BONDSMEN OF FORMER TREASURER**

In an effort to recover the sum of \$66,680.36 which was on deposit in the Nye and Ormsby County bank at the time that institution became defunct, Nye county yesterday began suit against former County Treasurer R. F. Gilbert and his bondsmen.

The defendants in the suit are R. F. Gilbert, A. G. Rayercraft, T. W. Kendall, W. J. Douglass, J. J. McQuillan, Henry C. Schmidt, Grant Crumley, R. P. Stenson, C. A. Wonnacott, W. W. Booth, George S. Hall, receiver of the Nye and Ormsby County bank, the Tonopah Midway Mining company and W. J. Douglass as trustee.

The complaint states that W. J. Douglass as trustee for the Tonopah Midway Mining company holds a deed for the First National bank building at Goldfield, which is intended as security for the money deposited in the bank, and asks that the building be sold and the proceeds over \$15,000 be turned over to the county treasurer, as \$15,000 is the amount of the Midway Mining company's claim.

The bondsmen who are sued qualified as follows: A. G. Rayercraft, \$10,000; T. W. Kendall, \$15,000; W. J. Douglass, \$15,000; J. J. McQuillan, \$15,000; W. W. Booth, \$15,000; Henry C. Schmidt, \$10,000; R. P. Stenson, \$15,000; W. W. Booth, \$5,000; C. A. Wonnacott, \$5,000. Gilbert, as principal, is also sued for \$50,000. The suit will be conducted by Attorney Key Pittman, who has been secured as special counsel. There appears to be some doubt as to the county recovering the amounts set opposite the names of the bondsmen, as the Nye and Ormsby County bank was used as a depository by order of the county commissioners.

The prizes for the musicians' masquerade ball, Friday, Oct. 8th, are now on exhibition in the windows of the Tonopah Drug Co. and Dubrowsky's jewelry store. 10-5 1t

## GOLDFIELD TEAM WANTED GUARANTEE TO PLAY BALL

There was no ball game Sunday owing to the fact that the Goldfield team would not leave their happy homes until they received a guarantee of \$75. When the Tonopah team played in Goldfield on the previous Sunday, a guarantee was not mentioned for the boys from this camp and all they were allowed was expenses. From appearances it is evident that the Goldfield team have received the idea that their playing is of the sort that people should pay extra to see. That may be so, but when the percentage of the teams is footed up, it shows that Tonopah has secured the pennant of southern Nevada.

## VALLEY VIEW OF PIONEER WILL CONSOLIDATE

**THIS ACTION IS DECIDED YESTERDAY AT MEETING OF STOCKHOLDERS**

The annual meeting of the stockholders of the Valley View Mining company of Pioneer was held in this city yesterday. Considerable discussion ensued regarding the policy of the company and also relating to the several lawsuits now pending in the courts. A tentative agreement was finally adopted whereby the company will consolidate with what is known as the Gold Hill Mining company. This latter company owns the Gold Hill and Conservative claims, over which several suits have been brought. This consolidation, it is thought, will prove of benefit to the stockholders, and it is probable that the suits will be dismissed. Under the terms of the coalition the stock will be exchanged on a basis of five shares of Valley View for one of the Consolidated.

The stockholders decided on the following for directors: Captain George W. Thatcher, George B. Thatcher, Malcolm L. Macdonald, F. G. Waterhouse, R. C. Moore, J. R. Bryan and W. H. Bryant.

Malcolm L. Macdonald was re-elected president, W. H. Bryant was chosen as vice-president, while J. H. Monteath was elected secretary for the ensuing year.

Among those in attendance at the meeting were J. W. Fraser, W. F. Tobin, R. T. Tobin, E. A. Herkelrath and J. R. Bryan of Pioneer, J. Tenbrook of Los Angeles, George Wingfield and W. H. Bryant of Goldfield.

### BABY SHOW

No entrance fee will be charged at the baby show. The mother's admission ticket entitles the baby to an entry card. Children under five years are eligible. Every mother in Tonopah is requested to bring her baby, and help along the cause. 10-5 2t
